Umpires' Training Course Set Today

A Southern California Municipal Athletic Federation's softball and baseball training course for umpires will be conducted under the joint auspices of the Torrance Recreation Dept. and the Harbor District Sports Office, of the L.A. Recreation Department, beginning today.

Cost for the 3 session course is three dollars, plus one dollar for insurance if desired, according to Elmer "Red" Moon, Adult Athletics Director for the Torrance Department.

All persons interested in being certified, or recertified as a S.C.M.A.F. Umpire should bring the entry fee and report to John Barr, Harbor Sports Director, at 435 Neptune, Wilmington, at 7:30 p.m. today.

Work to Begin

County road crews will begin the widening of Alondra Blvd. (161st St.) between Figueroa St. and Broadway this week. Work will be completed before the Harbor freeway is opened from 124th St. to Alondra.

The project will include the laying of an eight-foot strip of pavement on the north side and a six-foot strip on the south side of the roadway.
